

2022 Redistricting Information

As required by law for Michigan's redistricting process, new voter ID cards have been mailed to all City of Plymouth registered voters at their registered address, and most should have been received the weekend of May 28, 2022. Please note that districts have changed as shown below, but everything else remains the same. Please let us know if you have any corrections to your name and address.

If you receive a voter information card for someone that no longer resides at your address, please write that information on the face of the card and place it in the City Hall 24-hour drop box, drop off at the Clerk's office or give it to your mail person to return it to City Hall. The Clerk's office will follow up with the voter.

Redistricting maps for Michigan can be found at: [Final and District Maps \(michigan.gov\)](http://michigan.gov)
