Re: 2024 Early Voting Plan Resolution

As part of the development of an Early Voting Plan to implement Proposal 2022-2 on early voting, the City must coordinate with Wayne County. Each community is required to identify an early voting site and the County is requesting communities to provide a resolution to establish their early voting sites for the 2024 Presidential Primary election.

As the Plymouth Cultural Center is the established voting location for all City residents for Election Day, it would make sense to also hold the required nine days of early voting before the election in the same location. The early voting center would be open for eight hours on each of the nine days in compliance with MCL 168.662 (1) and MCL 168.720e(2), with additional details of the plan to be established by the local Election Commission and City Clerk's office.

Upon approval of the attached resolution by the Plymouth City Commission, the City of Plymouth Election Commission authorizes the Clerk's office to notify the Wayne County Clerk of the establishment of the Early Voting site for the Presidential Primary 2024 election.
(MCL 168.523b(1))

RESOLUTION

The following Resolution was offered by Comm. _____ and seconded by Comm. _____.

WHEREAS In November 2022, Michigan voters approved a constitutional amendment 2022-2 (Proposal 2) that gives voters the right to vote early and in-person at Early Voting sites before statewide and federal elections; and

WHEREAS The constitutional amendment also permits communities to provide Early Voting for local elections; and

WHEREAS Beginning in 2024, Michigan voters have the right to cast a ballot early and in person at an Early Voting site before Election Day. Early voting will be available beginning with the Presidential Primary in 2024; and

WHEREAS Early Voting allows a voter to cast a ballot before Election Day, in an experience similar to voting on Election Day. During the Early Voting period, voters are issued a ballot and can insert their voted ballot directly into a tabulator at their Early Voting site; and

WHEREAS The City of Plymouth will establish an Early Voting site at the Plymouth Cultural Center, 525 Farmer St., Plymouth, MI 48170 for the 2024 Presidential Primary Election;

NOW, THEREFORE, BE IT RESOLVED that the City Commission of the City of Plymouth, Michigan approves and acknowledges this location as the designated Early Voting site for all City of Plymouth voting precincts for the 2024 Presidential Primary Election.
